Why Bode Equipment Company?

Here are a few good reasons:

- Established in 1975, we have been serving our customers with quality service, installation and sales.
- We represent high quality manufacturers in the industry.
- We have \$9 million in insurance coverage.
- Our internal service/installation department is factory trained and have the necessary tools to get any job done.
- We belong to the necessary associations to keep up with the latest technology and training needed to support you properly.
- Our sales personnel are salaried employees, not commissioned or contracted. So, there is no need to worry about high pressure strategies. Anyone who answers our phone is ready and willing to assist you.

Territory Serviced

Our primary market is NH, MA, ME and VT. We have customers in RI, CT, VA, CA, TX, FL and Mexico. We like to think of our reach as borderless.

Preferred Customer Status

Those customers who have a Preventative Maintenance Agreement with us receive preferred pricing, quicker parts availability and service response. Are you a preferred customer? Ask us about becoming one today.

Markets

Bode Equipment works in several markets from clean room to transfer station environments. Depending upon the area of application, we will fit the appropriate product/installation/service package to the need.
